

The regular meeting of the Atlantic County Firefighters' Association was called to order on January 21st, 1987 at 8 PM with President Ted Reinhard presiding.

The meeting was opened with the Flag Salute, followed by Invocation by the Association Chaplain, Reverend Charles String.

The Association was welcomed to Egg Harbor City by Chief Barry Kienzle who thanked all of the Fire Companies who provided assistance and Mutual Aid to the City during the past year. Barry also introduced his Line Officers to the membership.

The President welcomed guests Freeholder Fred Nickles, County Executive Richard Squires, Egg Harbor Township Mayor Lew Cullen as well as Marilyn Gallagher of the Scanner paper. Freeholders Andrew Solari, John Mahoney, and John Gaffney expressed their regrets on being unable to attend the meeting due to previous commitments.

Atlantic County Executive Richard Squires spoke on sites available for the Training Academy and that \$100,000.00 has been proposed in the 1987 County budget for the Training Academy which is the same as appropriated in 1986.

Freeholder Nickles reported that Egg Harbor Township has offered a parcel of land on Fire Road for the construction of the Fire Training Academy. If the required State approvals can not be obtained for this site, Egg Harbor Township has an alternate site on English Creek Road that is also available.

Freeholder Nickles also reported that Egg Harbor Township has offered to put up \$25,000.00 to be used on the Training Academy. Perhaps other communities may follow their lead and also come up with funding.

Egg Harbor Township has also offered the use of the High School for classrooms for the Training School as well as space for storage of equipment so that it will not have to be transported back and forth for each session.

The President expressed his thanks as well as the thanks of the Association to Egg Harbor Township and remarked that the Fire Training Classes that are scheduled to start Jan. 29th will be held in the Egg Harbor Township High School.

Roll of the membership was called.

Minutes of the previous meeting of December 17th, 1986 were approved and accepted as forwarded to the Chiefs and Delegates.

The report of the Treasurer was approved and accepted as read.

The regular meeting of the Atlantic County Firefighters' Association was called to order on February 18th, 1987 at 8 PM with President Ted Reinhard presiding.

The meeting was opened with the Flag Salute, followed by the reading of the rolls to ensure a quorum being present.

The minutes of the last meeting of January 21st were accepted and approved as forwarded to the Chiefs and Delegates.

The Report of the Treasurer was approved and accepted as read.

The Association was welcomed to Longport by Chief Robert K. Adams Sr. and Commissioner William Fiore who expressed their appreciation and praise to the firefighters for the work that they are providing in their communities.

Bill Carney reported on the Blue Light legislation and that copies are to be made for distribution to the fire companies.

Bill also has a Leak and Spill Guide booklet for HazMat Response Teams from the Oklahoma State University which he reproduced and has one available for each fire company.

Legislation has been passed increasing the allowable appropriation for Rescue Squads from \$25,000.00 to \$35,000.00 yearly.

Bill reported that it is necessary to have a toxicological report completed whenever it is suspected that firefighter is overcome due to smoke inhalation and to make sure that one is completed because without one, the firefighter will not be eligible for the \$50,000.00 Federal Death Benefit under the Public Safety Officers Act of 1976. Bill is presently visiting with the area Hospital officials to make sure that they have the necessary forms and that they will complete them.

The Mutual Aid "Green Books" are presently being worked on as well as working on developing a Tanker Task Force Group.

William Fiore reported a new law has been passed establishing a \$2 million low-interest loan fund for volunteer fire, rescue, and ambulance squads toward the repair and purchase of emergency vehicles and to upgrade facilities. Different amounts are available up to \$50,000 depending on the need and project and are capped at 2%. The program is to be administered by the state Dept. of Community Affairs and information may be obtained from them.

The Training Committee reported that they are presenting 3 courses, Firefighter I, Hazardous Materials, and Tactics and Strategy and that the class on Firefighter I is quite large due to demand for this type of training.

The Training Site Committee is to meet with the Executive Committee at their next meeting in South Egg Harbor on March 6th at 8 PM.

The regular meeting of the Atlantic County Firefighters' Association was called to order on March 18th, 1987 at 8 PM with Vice President Jack Bruner presiding.

The meeting was opened with the Flag Salute, followed by the reading of the rolls to ensure a quorum being present.

The minutes of the last meeting of February 18th were approved and accepted as forwarded to the Chiefs and Delegates.

The Report of the Treasurer was approved and accepted as read.

The membership was welcomed to Folsom by Assistant Chief John Tomlin.

Vice President Jack Bruner reported that President Ted Reinhard had a death in the family and could not attend tonight's meeting and condolences were extended to the Reinhard Family from the Association and its membership.

It was reported that Reverend Charles String and Frank Murphy were both recuperating at their homes following their recent operations and the membership wishes them a speedy recovery and are looking forward to once again seeing them in attendance at the meetings of the Association.

The Report of the Executive Committee meeting of March 6th was accepted and approved as read.

The Executive Committee recommended that the Association support the 200 Club of Cape May and Atlantic Counties and to pass a resolution expressing our support. The 200 Club is a non-profit group of residents and businessmen of the 2 Counties with a deep concern for the welfare of both volunteer and paid policemen, firefighters and rescue squad personnel and offers assistance to the families whenever one of them loses his life in the line of duty.

As the speaker at the next meeting in April is to be a representative of the 200 Club, it was decided to hold this over till the next meeting when their program and purpose will be fully presented.

Bill Carney reported that he is still waiting to obtain copies of the legislation and regulations pertaining to the Blue Light and will distribute copies when they are available.

Information on the "Volunteer Emergency Services Organizations Loan Fund" may be obtained from the State Dept. of Community Affairs.

Bill reported that Green Helmets have been obtained for use of the County Fire Coordinators which will provide for easy identification when responding at emergency situations. The helmets are being lettered by member Barry Bruner.

Bill reported progress with setting up the Tanker Task Force for the County.

Bill also reported that the State Firemen's Association is to use a Card Type form of registration at the State Convention in Wildwood starting this year and details on the use of this form of registration is to be forthcoming soon to the Relief Associations of the County.

The Training Committee reported that all classes are progressing very good.

The Training Site Committee reported that they have made several on-site visits to properties that were offered for the fire training academy. Correspondance was received from County Executive Richard Squires that the New Jersey Department of Community Affairs has agreed to conduct a feasibility study to investigate all aspects of fire training in the County. Individual fire companies will be polled by them shortly.

Tony Canale reported that State money is once available toward purchase of equipment as it was several years ago and a resolution must be passed by the local government and all paperwork must be in to the State office by May. Chiefs are advised to contact their local governments for details as there is not much time left. The amount of money available to each department is dependent upon the population of each community.

The 4-H Fair committee requested funding so that they may purchase handouts to be given out at the fair which will serve as public relations and an educational program and a motion was made, seconded and carried to grant them \$200 out of the program fund.

Jack Bruner reported on the Officers Dinner and that it was well attended and perhaps it will be open to more department officers in the future.

The Auditing Committee reported that they have audited the books of the Treasurer and that they have found them to be all in order and well kept and commended the Treasurer, Frank Pratzner for a job well done. The Committee audited the books of the County Firefighters' Association as well as the books of the County Firements Death Benefit. The Treasurer reminded the members of the meeting for the Trustees of the Death Benefit Fund on Tuesday, March 31st at 8 PM in Absecon.

The updating of the Association's Stationery and accompanying logo will be decided upon at the May 8th meeting of the Executive Committee and all entries must be in by May 1st with the winner receiving a Dash Mount Light. Flier to be sent out along with the minutes.

The County has allocated \$20,000 in 1987, as it is not a full year, toward the office of a County Fire Marshall and is to appropriate \$30,000 yearly thereafter. Resumes and applications have been received and the Committee will go over them very shortly and make their recommendations to the Association for filling this position.

Bill Carney suggested that regardless of rank of officer in charge at a fire or emergency, that he assume station as "Command 1" and when other officers take over command, they maintain the status of "Command 1" which will give all responding companies the proper person to respond to. The membership voted in favor of this recommendation and details will be forwarded shortly to all companies. on its use.

Bills as presented were approved for payment.

The Speaker for the Evening was Sgt. John Thompson of the New Jersey State Police Emergency Management who spoke on the background of Civil Defense/Emergency Management and its workings and also on the Training Available thru Emergecny Management. He also spoke on surplus equipment that may be obtained thru the Emergency Manggement. Sgt. Thompson stated that it is his duty to provide assistance wherever possible and he is available to all who request it.

The next meeting of the Association is to be held on Wednesday, April 15th at 8 PM in Atlantic City at the Fire Headquarters at States and Pacific.

Dear Howard:

The regular meeting of the Atlantic County Firefighters' Association was called to order on April 15, 1987 at 8 P.M. with President Ted Reinhard presiding.

The meeting was opened with the Flag Salute, followed by the reading of the rolls to ensure a quorum being present. The minutes of the last meeting of March 18th were approved and accepted as forwarded to the Chiefs and Delegates. The report of the Treasurer was approved and accepted as read.

Chief Benjamin Brenner welcomed the Association to Atlantic City and thanked those in attendance for taking the time and effort to attend the meeting.

Bill Carney reported on the Advisory Council meeting and reported on items of interest and that the Council is presently working on different proposals to benefit the fire service and firefighters. Bill reported on several laws that have been proposed for the fire service as well as happenings throughout the area and problems being encountered as well as some good things that are taking place in the Fire Service. He is still waiting to obtain the regulations, etc. pertaining to the Blue Light.

Don DaGrosa and President Ted Reinhard reported on the Fire Instructors' Conference held in Cincinnati and on the different seminars that they attended. The conference was very informative and well worth attending. Noted was the need for the firefighters to wear seat belts, as well as using supporting straps while riding on the rear step. They reported that the NFPA is to study Fire Apparatus Safety and Design as well as the safety of firefighters riding on the fire apparatus.

Jack Bruner reported on the plans for the 4-H Fair in August and will order handouts to be used at the fair.

The Training Site Committee is still looking at sites for the Fire Training Academy and are to view another site on May 2nd. They are scheduled to meet with the Executive Committee on Friday, May 8th at 8 PM in Pomona at which time consideration will be given to all sites offered. The Training Site Committee and Executive Committee will fully evaluate them and hopefully make a selection which they will recommend to the Association at the next meeting.

The N.J. State Department of Community Affairs is presently conducting a survey as to the needs of training for the firefighters in the County and all Chiefs and Companies are requested to complete the survey forms and return them as soon as possible.

It was reported that the committee has reviewed the duties and responsibilities of the office of Fire Marshall and have reviewed all resumes and applications for this position. They will shortly make their recommendation to the Firefighters' Association for approval and then will forward the recommendation to the County Officials for their consideration and approval.

Howard Berchtold, Jr. reported that several suggested logos for updating the Stationery of the Association have been received and selection of which one to use will be decided at the May 8th meeting of the Executive Committee.

The following application for membership was received and approved: Mark Sciore of Bayview.

Correspondence consisted of notification that the Second Annual N.J. Memorial Service for fallen Firefighters will be held at 2 PM on Sunday, May 17th in the Gill Memorial Chapel of Rider College in Lawrenceville. Notice was received from the Fire Brigade of Stockton College that, due to the new rules and regulations for firefighters in regard to equipment and training, they must maintain a low profile and find that they may no longer be a member of the County Firefighters Assn.

The Pomona Fire Company reported that they have a 1956 GMC, 1250 gallon pumper for sale.

Bills as presented were approved for payment out of their respective accounts.

The need for a lobbyist to further the cause of the fire service and to benefit the firefighters of the state was made known and this was turned over to the Executive Committee for their evaluation and recommendation.

The program for the evening was presented by Robert Warner who represents the 200 Club of Cape May and Atlantic Counties, which is a new organization recently formed in the area. It is a non-profit group of residents and businessmen of the two counties with deep concern for the welfare of volunteer and paid policemen, firemen, State Police, and rescue squad personnel who lose their life in the line of duty and are there to provide needed death benefits and assistance to the family. They also wish to hold annual banquets in the future at which time they will present valor awards to those deserving them. Several other 200 Clubs exist in the state as well as in the nation. A recent article on the 200 Club of Cape May and Atlantic Counties was in the Press as well as in the Scanner.

At the last meeting of the Executive Committee, they recommended that the Association recognize and endorse the 200 Club and a motion was made, seconded, and carried to follow their recommendation and the Secretary was instructed to draw up the necessary resolution.

The next meeting of the Association is to be held on Wednesday, May 20th at 8 PM in Bayview at their fire house on Route 9.

The Training School reported that the 3 classes held, Basic Firefighting - Fire Command - and Hazardous Materials, have been completed and that 62 graduated from the 3 classes and that Graduation Exercises were held on Thursday evening. Thanks were extended to the Bargaintown Fire Company for hosting the graduation exercises.

Materials are still needed so the County can construct another booth at the 4-H Fair to be used for another fire display.

It was reported that Walter Buzby received a Commendation from the County Prosecutor for the extrication of a homicide victim from a burning structure which greatly aided in the investigation and charges being filed in the homicide.

The Secretary was instructed to compose a letter recognizing Walt for his actions in this fire situation.

The President welcomed back Frank Murphy, who missed several meetings due to operations, and Frank reported that we have a display case at the Firemen's Museum and we now need items to put into the case to display.

It was reported that once again someone stirred the State up in regard to the monies of the State Firemen's Association and Local Relief Associations and Bill Carney reported on the different writeups in several North Jersey papers and that they had received some misinformation and that all is on the up and up and has been cleared up with the State.

Correspondence consisted of a letter of thanks for having the Field Communications Van at the Atlantic County Sesquicentennial held in Mays Landing.

Lee Ireland was requested to check with the County in regard to Hazardous Materials software that may be available that we could use to put into the computer at F25

The President reported that the pager that was lost by one of the Northfield members at the meeting in Egg Harbor City apparently was lost in the parking lot and in moving the snow around from the several storms, it was moved along with the snow and wound up in the Terrace where it was found and returned to Northfield.

The Committee is still compiling information and going over resumes for the position of Fire Marshall.

The following applications for membership were received and approved:

Bruce Guenther and Gus Schilling of Pomona

Bills as presented were approved for payment out of their respective budgeted funds.

The next meeting of the Association is to be held on Wednesday, June 17th in Milmay at 8 PM.

The regular meeting of the Atlantic County Firefighters' Association was called to order on June 17th, 1987 at 8 P.M. by President Ted Reinhard.

The meeting was opened with the Flag Salute, followed by the reading of the rolls to ensure a quorum being present. The minutes of the last meeting of May 20th were approved and accepted as forwarded to the Chiefs and Delegates. The Report of the Treasurer was approved and accepted as read.

The President reported that the Association's meeting and membership is hosted thru the cooperation of 3 fire companies, Estell Manor, Dorothy and Milmay, and the membership was welcomed to the "western end of Atlantic County" by Chief John Wagner of Estell Manor, Chief Elwood Seelman of Dorothy and Chief Fred Milbur of Milmay. Atlantic County Freeholder John Mahoney also expressed his welcome to Western Atlantic County and spoke on several items of interest. Freeholder Mahoney advised homeowners to provide that emergency vehicles can reach their property and that easy emergency vehicle access to homes is expected to save dollars on homeowners insurance.

Bill Carney reported that the Blue Light Law is being revised to provide necessary wording changes, however Motor Vehicle statues state that only red emergency lights may be emergency vehicles. Therefore any other colors or combinations of colors is illegal. The proposed pension for firefighters is a study only to determine method of qualification, etc.

Bill reported that HazMat units may still be called from surrounding Counties for Mutual Aid. Bill reminded the membership of the Caucus of the Atlantic County Chiefs, Life Members, Delegates and Alternates to be held in Egg Harbor City on Friday, August 28th at 8 PM. Members of Rescue Squads have been included in the Federal \$50,000.00 Death Benefit coverage if death occurs in line of duty as per their regulations.

A representative from the County is needed to serve on the Advisory Council and any who may be interested in this position is requested to contact President Ted Reinhard.

The Training School is presently on their summer break and are planning on starting the Fall Courses of the Fire Training School in September and all companies will be notified. Questionnaires that were sent out to Chiefs for completion on the need for a Fire Training Academy as requested by the Department of Community Affairs must be completed and returned and that only a few companies have yet to respond. Very important that this be completed.

The 4-H Fair Committee reported that they have obtained the necessary materials for constructing another booth and are getting informational materials to be handed out.

The Committee reported that they have compiled recommendations on the duties of the Office of Fire Marshall for Atlantic County as well as Qualifications for the position and that the Executive will review these and make their recommendation at the next meeting.

Up to date equipment lists are needed for the Mutual Aid "green books" so that they may be revised and forwarded to the companies.

Frank Murphy reported on the Firemen's Home and that new construction is just about 30% completed.

The State DCA has videotapes available for taping and all that is necessary is to send them a blank tape requesting the tapes desired and they will tape them and return them.

The Training Site Committee reported that they are still waiting to receive reports on different studies in regard to the questions that they raised on the training site. The President reported that the Egg Harob Site was only recommended by the Executive Committee subject to obtaining the necessary approvals and to date no site has been approved for acceptance for the training facility.

Motion seconded and carried to hold this over until the July 15th meeting in Linwood in the hope that information requested will be available.

The Freeholder Board has approximately 8 trailers available and the Executive Committee to investigate and see if they may be used on a temporary basis by the Association.

The regular meeting of the Atlantic County Firefighters' Association was called to order on November 18th, 1987 at 8 PM with President Ted Reinhard presiding.

The meeting was opened with the Flag Salute, followed by the reading of the rolls to ensure a quorum being present.

The Association was welcomed to the City of Somers Point by Joseph Cotrell, Chief of the Somers Point Vol. Fire Co., No. 2.

The minutes of the last meeting of October 21st were approved and accepted as forwarded to the Chiefs and Delegates.

The Report of the Treasurer was approved and accepted as read.

The Report of the Executive Committee meeting of November 6th was approved and accepted as read with their recommendations to be taken up during new business.

The Advisory/Legislative Committee reported on several items of interest as well as several changes in Workmen's Compensation in that sports activities are generally not covered and that accurate records must be kept on those members suffering heart attacks. Also reported was that in several years, drivers of fire apparatus will be required to possess special driver's licenses. More on this in the future as more information is received.

Bill Carney reported that he is still working to set up a Tanker Task Force Group which will consist of tankers, pumpers, and support equipment.

The Training Committee reported that the present sessions of the Fire Training School are to be completed around the middle of December and that new classes will begin in January with the date and exact classes to be held will be forwarded to all companies.

The Committee reported that they need at least 12 persons to attend the Train the Trainer class to make it worthwhile to conduct this training and that those who desire to attend the class should let the Training Committee know as soon as possible so they may decide whether to hold the class or not.

The Fire Prevention Poster Committee reported on the judging of the posters which were submitted for judging at the county level with the winners of each of the 5 divisions announced as follows:

Division #1	Grades K thru 4th	Vannessa Scully H. Russel Swift School	3rd Grade Egg Harbor Township
Division #2	Grades 5 thru 8th	Wendy Dreher Jordan Road School	6th Grade Somers Point
Division #3	Grades 9 thru 12th	Chuck McKelvey Pilgrim Academy	10th Grade Germania
Division #4	Vocational Schools	no posters submitted for judging	
Division #5	Special Education	George Rickett Washington Ave. School	Pleasantville

The winning posters of each division of the County are to be forwarded to the State for further judging at the State Level.

Motion seconded and carried to award each of the winners a \$50.00 Savings Bond with the award to be made at the next meeting in Farmington.

The Scanner paper is also to present an award to each of the County winners at the December meeting.

The President thanked Walt Buzby and Ken Thomas of the Poster committee as well as those members of the various fire companies who judged the posters on their local level.

Next Meeting in Farmington on Wednesday, Dec. 16th at 8 PM

Howard R. Guenther

Secretary

The regular meeting of the Atlantic County Firefighters' Association was called to order on December 16th, 1987 at 8 PM with President Ted Reinhard presiding.

The meeting was opened with the Flag Salute, followed by the reading of the rolls to ensure a quorum being present.

The Association was welcomed to Farmington by Assistant Chief James Garth.

The minutes of the last meeting of November 18th were approved and accepted as forwarded to the Chiefs and Delegates.

The Report of the Treasurer was approved and accepted as read.

Charles Klein reported on the Advisory Council and that they are still working on the proposed pensions for firefighters, the Blue Light Law has to have certain parts revised so that they are legally acceptable, and that they are still working on standardization of fire training.

Bill Carney reported they are working on changes in the Fire College so that different locations thruout the State would be utilized for conducting classes to try to cut out some of the traveling and to reach more people. The South Jersey Fire Police are presently reorganizing and more will be put out at a later date. Bill reported that he is still working on setting up the Tanker Task Force. The Computer that was ordered has arrived and will be available for our use very shortly. Anyone having changes to the Mutual Aid "Green Books" should get them in to Bill so the book can be completed. The Mobile Communications Van was used twice the last month in Hammonton.

George Kinsey reported that the fall training classes will conclude tomorrow evening, Dec. 17th and that the new classes will start on Jan. 28th with all companies to be notified of the courses to be held.

Frank Pratzner reported that there is to be a meeting of the Trustees of the Atlantic County Firemen's Death Benefit Fund on Tuesday, January 26th at 8 PM at the Absecon Fire House.

Memorial Services are to be conducted at the Annual Meeting in Egg Harbor City on Jan. 20th for those firefighters who answered their last alarm during the past year and names of deceased members to be included in the Services may be sent to your Secretary Howard Guenther P.O.
