President Amor "Skip" Portale read the following statement.

"Good evening and welcome to the Atlantic County Firefighters' Association's 95th annual re-organization meeting. This is the 96th consecutive meeting that has been hosted by the Egg Harbor City Fire Department, and for that we thank them. Founded in 1923, the primary duty of the Atlantic County Firefighters' Association is to provide training to all firefighters, either paid or volunteer, from Atlantic County. While at the same time offering training to all firefighters throughout New Jersey and the tri state area. This would not be possible without the assistance of Atlantic County Executive Dennis Levinson and his staff, The Board of Chosen Freeholders, Director of Public Safety Mike Fedorko, Director of Emergency Management Vince Jones, Fire Marshall Dave Buzby, and, last but not least, Director of Fire Training Mike Corbo along with his dedicated staff of 31 Instructors. 2018 was another very productive year for the Association. Some of the accomplishments that were archived in 2018 are as follows. We continue our partnership with West Virginia University in the delivery of a first responder training program on alternative fuel vehicles. Our academy continues to offer Pro Board & IFSAC accredited courses that are supported by the NJ Division of Fire Safety. We're continuing our joint venture with the Gloucester County Fire Academy to instruct the Heavy Vehicle Rescue Course held in the spring at our academy and in the fall at theirs. We once again partnered with Kean University to offer the two Fire Instructor Courses required by the New Jersey Division of Fire Safety. In 2018 we continued our Firefighter Wellness Program to promote the health and wellness of our firefighters that we intend to continue in 2019. We received our charities registration number from the State of New Jersey allowing us to now solicit for donations. Through the outstanding efforts of Fire Marshal Dave Buzby and Director of Fire Training Mike Corbo we were able to have all the fire hydrants at the academy rebuilt at no cost to the county government or the taxpayer. In 2018 1,033 firefighters from Atlantic County were trained in various fireground operations. We welcomed 69 new firefighters from Atlantic County into the fire service. This year's classes once again included firefighters from Atlantic, Camden, Cape May, Cumberland, Gloucester, Ocean, and Salem Counties. In 2018 the Firefighters' Association held over 68 different classes with 625 firefighters being trained through academy offered courses and 1,694 firefighters being trained over all. In 2018 155 firefighters from out of county were trained at our academy. The total number of instructor hours incurred by our 31 Fire Instructors for 2018 was 3,168. Once again, as in years past, we were able to operate within our budget. In 2018 we paid homage to 16 firefighters from 13 Atlantic County fire companies who answered their final alarm. Sadly in 2018 we said goodbye to our Chaplain Tom Sweeny who passed away suddenly on June 12th, 2018. Tom served as our Chaplain for over 25 years having been elected in 19923 and every year thereafter. The bell that was used in tonight's services has been dedicated to tom's memory by the Cardiff Volunteer Fire Company. We recognized 3 firefighters from Atlantic County with 50 or more years of service. We sponsored the 27th annual Valor Awards Ceremony with 3 firefighters from Atlantic County being honored for their bravery and self-sacrifice. Once again, we sponsored the annual Firefighters Competition held in conjunction with the Atlantic County 4H Fair. This year the Somers Point Fire Department Company Sta. 2 won the hose relay and obstacle course events and the Mizpah Volunteer Fire Company won the water rocket event. This year's overall winning team was from Somers Point Fire Department Company Sta. 2. We acquired 6 new sets of turn-out gear and additional equipment at no cost to county government, or the taxpayers of Atlantic County, to meet our ever-increasing training demands. As you begin 2019 with your new President, I'm confident that the relationship that has been established with Atlantic County government, Executive Dennis Levinson, the Board of Chosen Freeholders, Fire Marshal Dave Buzby, Director of Public Safety Mike Fedorko. And Director of Emergency Management Vince Jones, along with the members of the Executive Committee, and the Director of Fire Training Mike Corbo will continue so that the Atlantic County Firefighters Association remains one of the best in the state. At this time, I would like to publicly thank the members of the association for allowing me to serve as your President for the past 11 years. It has been an honor and a privilege to serve you. I'd like to thank county government for all the assistance they have given me and the association over that past 11 years. I would especially like to thank the members of the Executive Committee and Chairman Berchtold for making my job easy. As my wife and I will be relocating to South Carolina later this year please know that I will miss each and every one of you but will cherish the memories of my time as a member of the Atlantic County Firefighters' Association. Thank you."
